

# Sarah Collie

## Head of Fundraising & Partnerships

Sarah Collie has more than ten years' experience in the not-for-profit sector, managing fundraising and corporate partnerships for a number of Australian charities.

As Head of Fundraising and Partnerships at GIVIT, Sarah is responsible for the design, development and implementation of GIVIT's fundraising and partnerships strategy, annual operational plans and budgets. She manages GIVIT's corporate partnerships, community fundraising, grants and individual giving teams to inspire action and generate donations.

Sarah has held previous roles at Foodbank Queensland and Children's Hospital Foundation, she holds a BA (Hons) in Business Administration and is a member of the Fundraising Institute Australia.

## About GIVIT

GIVIT is a not-for-profit donation platform that works with more than 4,700 support organisations around Australia to ensure vulnerable people get what they need when they need it most. This includes people recovering from an emergency event, or experiencing hardship due to circumstances such as drought, domestic and family violence, homelessness, disability, and mental health. Through GIVIT.org.au, offers of goods and services are captured online, removing the need for charities and services to sort, store and dispose of unrequested donations, saving valuable resources. 100% of donated money received by GIVIT to support people in need are used to purchase essential items and services.
